The March meeting for EAA will resume *in person* at Edmond Fine Arts Institute, 27 E. Edwards in Edmond next Monday/March 22nd.

Chris Cargill, local Mixed Media and Mural artist and EAA board member, will go through the process of making a mixed-media piece with group participation. Emphasis will be on image transfer and unique ways to create backgrounds and other extra elements for his piece.

Chris has been a Mixed Media and Mural artist for eight years. He was the featured artist of the 2016 Downtown Edmond Arts Festival and one of his Murals was voted Edmond's Favorite Public Art Piece in 2020. Chris's mixed-media pieces have been purchased by the Toby Keith Foundation and the University of Central Oklahoma.

Having lived in Oklahoma most of his life, Chris has been inspired by the history, landscapes and urban design of our 46th state. He started painting professionally in 2011.

Please join us on March 22nd to see and participate in Chris's Mixed Media demo. For more information on Chris's work - check out: <https://www.chriscargill.com>.
