Kathryn Walker Richardson, portrait artist will demo a painting at the **Reian Williams Fine Art Studio - 316 W. 33rd Street** in Edmond at 7:00pm. ***Note - this is a new location***

Ms Richardson is a native Oklahoma artist trained in the classical tradition from renowned artists like Bettina Steinke, Harley Brown, Cedric and Joannette Egeli and Morgan Weistling. Studies include the Art Students League in NY, The Atelier in MN, and Cape Cod school of Art in MA.

Kathryn has built a fine arts commissioned portrait business, newly located in her Northwest OKC studio, where she works and resides.

Her subjects, over many years, have ranged from beauty queens to governors, CEO's and retiring deans to visionaries and small children, and put together, provide the experience and expertise needed for her love of teaching the next generation of classically trained artists.
